

## Copyright declaration

.....  
Surname and name of the author

Address: .....

Title of the article  
.....  
.....

Declaration (please complete **a** or **b**)

**a.** I declare that in my work the drawings and tables intended for publication are the work of my original creation (i.e. they were invented and designed by the author of the submitted manuscript), are not encumbered with any rights of third parties, and do not violate any provisions of law and the interests of third parties. In the paper there are no quotations from a foreign publication/ or possibly there are quotations within the legally permitted quotation law, and all quotations placed were duly marked together with the name of the author and the source of the quotation.
